Dear Council Chair Bowerman, Councilor Lentz, Councilor Olson, Councilor Medvigy, Councilor

Rylander, County Manager Otto,

The Friends of Clark County encourages the Clark County Councilors to agree with the leadership of Community Planning's proposal to suspend the annual reviews for the 2023, 2024 and 2025 cycles. It is apparent that not to do so would result in further disruption of Comprehensive Plan timing and threaten a delay of a June 30, 2025, completion date.

Furthermore, the practical, realistic and common-sense request from Community Planning is presented in compliance with the annual planning process as outlined in CCC40.560.010.

Best regards,

Ann Foster,  
Vice President

Friends of Clark County
