**Subject:** County issues addendum to Final Environmental Impact Statement for Growth Plan Update

Greetings,

This email is to provide notification that the county issued the attached addendum to the Final Environmental Impact Statement (FEIS) for the Updated Comprehensive Growth Management Plans of Clark County, Battle Ground, Camas, La Center, Ridgefield, Washougal, Woodland, and Yacolt, Issued July 24, 2026.

The addendum provides corrected information. The corrections do not substantially change the analysis of significant impacts and alternatives in the FEIS. The corrections improve the accuracy of one table of background information that may be important in decision-making for the project.

The document is also available on the county website at this link: https://clark.wa.gov/community-planning/2025-update-project-library [clark.wa.gov]

Thank you!
