Subject
Manufactured Housing Preservation Ordinance

Message
Hello Councilors, I'm a resident of district 2 and so is my mom. I'm writing today to encourage the council to continue the moratorium on Manufactured Home Park redevelopment and put into place ordinances that protect them into the future. Manufactured Homes offer a considerable good to the community in low cost stable housing. My mom's park is being put up for sale again and it leaves the residents in an untenable position should it be redeveloped.
