Good Day,

The County is required by law to have a sufficient supply of agricultural lands to sustain a local agricultural economy. I support Friends of Clark County's vision for agriculture in Clark County to maintain and sustain a climate resilient local agricultural economy.

The hundreds of acres that Ridgefield, La Center, and Camas are requesting to pave over forever are designated prime agricultural lands and farmlands of statewide importance.

Please honor the recommendations of the Agricultural Advisory Commission.

Thank you for doing the right thing for our beautiful, rich soiled Clark County.
