Hi Peggy!

Now that we've added you to our comp plan email list, you will receive notifications on project updates, meetings, events, and more.

Right now, we have the draft Public Participation Plan available for review and comment, so if interested, please review and provide us any feedback.

Thank you!

Jacqui

Good morning Peggy; enclosed is a link to the 2025 Comp Plan Update. There are various ways you can participate in the planning update process. I will also forward your email to our Planning Manager for more input. In the meantime, I will add your name to our database to receive future notifications from our department on the Comp Plan process and add your comments to the Index of Record. Thank you for your comments

Hello as a developer of income-based housing and a property owner in Clark County we are interested in participating in the Comp Plan update. I did not see information as to how a resident can participate in the update process. Can you let me know how that will work?
