Expanding Urban Growth Boundary

**Comments**

Good afternoon,

My family owns a 16 acre property at 6208 NE 139th Street Vancouver, WA. The urban growth boundary stops right across the street to the south, and 1/4 mile to the west. City roads abut the north and south end of the property lines. We're highly interested in having the property developed into housing. It is on developable land, no wetland or other conflicts would arise. Please keep this property in mind when considering the Urban Growth Boundary. Thank you for your time. :)
