Comments

On behalf of the Washougal School District I am submitting this public comment into the record regarding the Clark County Comprehensive Plan Update. The District has an option to purchase tax parcel 986039-602 for a new school site. This parcel is in their current Capital Facilities Plan. Due to plat restrictions, the property cannot be developed until it is brought into the Washougal UGA. The District is requesting that this action be taken during this update.
