We live in Mobile Retreat Park in the Salmon Creek Area. We would like to make comments on the Growth Management Plan. If Mobile Home Parks our no longer covered under the growth management plan, there would be so many seniors left out in the cold , that includes us here at Mobile Retreat, most mobile home could not be moved and most of everyone in this park has lived here for years and are on fixed incomes and would have no where to go. We are not able to attend the meeting due to health , and this park is so close to all of our medical needs and other tenants in this park also need. So we our hoping that the county will extends for years the moratorium on Mobile Home Parks that the sensors definitely need. Thank you, Gary Reuter Sr.
