Good day, Kristine,

Thank you very much for submitting comments related to the 2025 Comprehensive Plan update.

These will be added to the Comprehensive Plan Index of Record. I am forwarding to additional staff, including Rebecca Messinger from the Council's Office as well for awareness and to share with the Council.

Best,

Jeff Delapena

Clark County is a great place to live and work for the most part. Taking away open space and local agricultural lands and replacing them with urban sprawl will have a negative impact on every one of our local communities.
I see infill working quite well without developers driving the downgrade of the very things, such as open space, parks and farms, that make Clark County work for everyone.
Please consider a moratorium on farmland development. It's difficult to regain once given away.
