Hi. I am writing to advocate for protecting our rural lands. We are witnessing more and more urban growth developments happen in our rural lands in Battle Ground, and Hockinson. We are zoned in R5 and R10 lands. Please do not allow developers encroach on us.

My other concern is speed limits. We live on a dead end road. Our house is about 15 feet from the road and people drive 55-75. Our land was absorbed by the city to pave the road. Speed limits are needed for enforced safety.
