Message Subject

ADUs in County

Comments

The way the County's ADU language reads is it is only for hardship cases (think aging parent). Well at some point the parent ages out and then the ADU site owner is supposed to remove the ADU. Wolf Industries a local Battle Ground company is making ADUs that provide an elegant solution to our houselessness issue in Clark

County. Please amend the ADU rules to align with the City of Vancouver or better.
