Thank you, Sonja.

The Port would also like to discuss with the County bringing our airport property (110-acres) into the urban growth boundary. The Port's long-range plan is to develop this property for job creation.

Thank you.

Good afternoon.

I would like to request on behalf of the Port of Camas-Washougal, that all special purpose districts, especially ports be included in this planning process. We are the key economic development partners and job creators for our community.

Thank you.
