Hello Sonja,

Thank you for sending this out. I just finished a meeting with the AIA Southwest Washington Advocacy Committee and wanted to connect with you to see if there were ways in which we could help support this work as an organization, whether through raising awareness of the work or sharing our opinions or experience in the design process. If you have any thoughts on how we might be able to apply our focus please let me know. Thanks!

Cheers

COUNCIL TO CONSIDER PUBLIC PARTICIPATION PLAN FOR COMPREHENSIVE PLAN UPDATE AT MARCH 21 HEARING

News Release from **Clark Co. WA Communications**
Posted on FlashAlert: March 7th, 2023 12:59 PM

Vancouver, Wash. – Clark County Community Planning is starting the process of updating the local Comprehensive Growth Management Plan, as required by the state’s Growth Management Act (GMA). The plan, last updated in 2016, is a long-range policy guide for how the county plans to manage growth and development over a twenty-year period.

The GMA requires jurisdictions to periodically update their comprehensive plan and development regulations to bring them up to date with changes to state law; changes to land use; population growth; and housing needs projections.

To begin the periodic update process, the county will adopt a Public Participation Plan (PPP) that would clearly identify the scope of the proposed update, when legislative action is expected, and how the public can participate or comment.

County Council will hold a hybrid public hearing on the Public Participation Plan on Tuesday, March 21, 2023, at 6 p.m., in the sixth-floor Hearing Room of the Public Service Center, 1300 Franklin St. and virtually via Webex. The meeting will be shown live on CVTV channel 23/323 and available later that day for on-demand viewing on CVTV.org.

The updated Public Participation Plan draft and other hearing materials can be found at <https://clark.wa.gov/community-planning/2025-update-meeting-and-event-information>.

Information on how the public can attend the meeting and provide testimony can be found on the Council’s meeting page at <https://clark.wa.gov/councilors/clark-county-council-meetings>.
