rezoning of Pleasant Valley areas to R32

Comments
I objrct to tthe redesiignation of property to theNorth of my home on NE 134th street in Philbrook farms to from R1-4 to High Density R-32. This action will result in a profound change in the character of the existing neighborhoods and and will with out a doubt immpact the livability and of those neighborhoods.
The impact to traffic control, road maintenance and peace and quiet are just a few.

I strongly urge the counsel to reconsider this change.
