Good afternoon Councilors:

You may have seen the letter that was submitted from Chad Eiken, Director, City of Vancouver Community Development Department on the Public Participation Plan for the 2025 Comprehensive Plan Update. The comment provided is not relevant to the public participation plan. The public hearing tonight on the Participation Plan is to obtain feedback on the framework which assists the county's effort to be transparent with the public and to encourage and afford an opportunity for the public to be engaged and provide valuable feedback for the Council's consideration. There will be an opportunity to have a discussion later on the vacant buildable lands model, other issues, and outcomes. Please, let me know if you have any questions. Thank you.

Best Regards,

Oliver
