---

Hello –

The comprehensive plan amendment proposed in CPZ-2022-00015 outlines that any jurisdiction may initiate an amendment or request an interpretation to the countywide planning policies and delineates an application process for these actions. Because the language outlines a procedure, no property specific information is available at this time.

Please let us know if you have any additional questions. Thanks!

Hello –

My apologies for the delay in responding to your email. I need to coordinate internally on a response but due to the availability of staff, I won't be able to reply until early next week. Again, my apologies for the delay. Thank you.
