Zoning change at Pleasant Valley

Comments
As a homeowner, I am extremely upset that I am just finding out that the some commission wants to come here and rezone our area and ruin our quality of life. We purchased in this area for a reason because it gives us a certain lifestyle. This is a quiet community with homes and yards. We paid premium prices to live this quality of life. If you wanna put up apartments, put them up in those types of areas don't take our farmland and change what we bought into here. If you want to put up apartments, go find a different area like Highway 99 or streets that are already zoned for those types of buildings but we don't want the traffic, noise, crime, and lower property values that comes with those types of dwellings.
For these reasons, I respectfully request that the County deny the proposed rezoning request.
