Comment
As a resident of Pleasant Valley I am appalled by the lack of notice of this proposed zoning and with the swiftness that the council moved to have this hearing. I am adamantly against the rezoning proposed for high density housing and urge the council to vote against this proposition. To be clear, I am not against growth of our community. However I am against high density housing that brings traffic issues, crime, lower property values, and an eye sore for our area. I will be voting against every member who voted to approve this rezoning proposition. I urge you to listen to your constituents and do the right thing.
