Re: Clark County Letter of Commitment for Department of Commerce Periodic Update Program -Periodic Update Grants (2023-2024)

Dear Mr. Anderson,

Clark County is pleased to submit the attached application for the Growth Management Act (GMA) Comprehensive Plan Update non-competitive formula grant.

I, Kathleen Otto, Clark County Manager, authorize the County to propose the attached scope of work and budget request for Periodic Comprehensive Plan Update Grant funding. I am pleased to write this letter to express my support for Clark County's commitment to review and update its comprehensive plan and development regulations. The ongoing 2025 Comprehensive Plan Update will be greatly enhanced by this grant.

Clark County, along with its cities and multiple departments, has started the 2025 update that will review, and revise as necessary, elements of the Plan and development regulations. Emphasis will be placed on housing affordability and climate initiatives. The 2025 plan update, with the support of this grant, will greatly enhance the County's Public Participation Plan. A full environmental impact statement and capital facilities plan will address the accommodation of growth through 2045.

Thank you for this grant opportunity. If you have any questions or need additional information, please contact Oliver Orjiako, Community Planning Director, at oliver.orjiako@clark.wa.gov or 564-397-2280 ext. 4112.

Sincerely,

Kathleen Otto
Clark County Manager
