Dear Clark County Council and Planning Commission,

I am writing to express my strong opposition to expanding the urban growth boundaries (UGB) in the current Comprehensive Plan Update. Expanding these boundaries threatens our valuable agricultural lands, strains existing infrastructure, and accelerates suburban sprawl. Instead of converting rural and natural areas, the county should prioritize smart infill development, revitalization, and affordable housing density within our current urban limits. Please protect Clark County's rural character and hold the line on the UGB.

Thank you for your time and consideration.

Sincerely,

Kirsten & Steven Thacker
