Dear Ms. Otto,

Please pass on my BIG appreciation to Mr. Orjiako, Jose Alvarez, the community planning staff, and the staff of the other departments for their diligent, intelligent, exhaustive (and exhausting) work on the Comp Plan Update. Regardless of the stress and pressures from the various "players" in the process, the county staff always acted with integrity, discipline and extraordinary patience. They did/do Clark County proud!
I hope they have one heck of a party to celebrate!
Julie
