Mobile Home Park Overlay

Comment
Please, please, I earnestly urge you to finalize your vote on the permanent Manufactured Home Park Overlay Zoning in favor of us in parks who have nowhere else to go.

As for myself, I have no family remaining that I can go live with. I can't buy another mobile home. All my investment in what I hope will still be my forever home will just evaporate if this doesn't pass.

Our park owners have already proven they're unscrupulous. There are no mobile homes on the market I'd qualify for. I'd have to go on Section 8 and medicaid. How does that help anyone but the park owners. They only have one vote. We have thousands.

Thank you
