Subject
Comp Plan: No Urban Growth Boundary Expansion

Message
Dear Counselor, My name is Mika Barrett and I've been a Vancouver resident for over 33 years (since I was three years old!) I am writing to express my deep concerns for the way in City's comp plan de-prioritize our climate crisis and children's future. Please consider, NO urban growth area expansions and NO de-designation of agricultural lands. We can expand urban development while preserving our rural areas. Developers' interests will not protect us from this current climate crises.
