Request to re-zone/subdivide

Comments

I am interested in subdividing my 7.5 acre property into 3 parcels. Either roughly evenly divided into 3 equal sized parcels, qty(2) equal smaller parcels as small as 1 acre with the remaining parcel as 5.5 acres, or some variant in between. The 7.5 acre parcel is currently zoned as R5. My request is to have it re-zoned in order to make the subdivision as stated above possible.
