We are a partnership that has owned this land for 26 years. It is currently zoned Ag, with an Industrial overlay. We are very interested in getting it rezoned, and/or moved into the UGB, for either the county, or City of La Center, or both. There is currently an older residential rental on the property. However, being surrounded by bus barns, water wells and an electric substation, activating the overlay seems only logical. Please consider this a formal request to evaluate the change.
