Good morning. It was a very effective meeting last night. There was a document handed out last night by the Hazel Dell Mobile Home Community. I believe you have a copy of this. On page 2 it references in #2 a suit Laurel Park Community LLC v. City of Tumwater. Courts ruled that restricting land solely to mobile home use is a constitutionally sound exercise. I have read much of the case although I am not a lawyer. It sounds as though it would legally support the proposed zoning overlay's goal of maintaining MHPs.
I am looking forward to the October 1 meeting. Thank you for listening to residents of MHPs. Janet Easley.
