Subject
Zoning Overlay for Cascade Park Village at 16500 SE 1st Street, Vancouver

Message
We received a letter from the owners of the property beneath our homes that they are considering selling the property. If the property were sold to someone who would not keep the property as a manufactured home park, Clark County would lose 170 nice affordable homes and it would be devastating to those of

us who live here. It is urgent for you to implement a zoning overlay that would mean that the park could be sold only to a buyer who would retain it as a manufactured home park.
