Subject

Climate Change and Resiliency Element Public Participation Plan

Date of Hearing

Tue, 11/28/2023

Comment

I am writing to urge the council to take climate change seriously as you develop the 20 year plan for the county. Please prioritize a responsible, sustainable future for our children, grandchildren, and all future generations. The impact of weather on our environment will be more costly than taking action now—so please don't be short-sighted and let money and ignorance rule irresponsible growth!
