Subject
Climate Change and Resiliency Element Public Participation Plan

Date of Hearing
Tue, 11/28/2023

Comment
Dear Clark County Council: Please vote yes to allow staff to get to work on improvements of the GMA Amendment, Public Participation Plan as the law requires. Climate change is real as we are all seeing on the news nearly every night. Story after story of severe weather events around the world, floods, droughts, forest fires and crop failures and the resultant massive world wide climate migration and soaring insurance cost. Let's be responsible and do our part. Thank you
