zoning overlays

Message
Our manufactured home communities have been working on overlays for at least two years now. Because of the delay, 170 homes in Cascade Park Estates could be repurposed and seniors could lose their homes. We are up for sale and corporate monopolies realize they cannot rent gouge any longer since 1217 passed. How would you like to lose your home? That is a real possibility for our homeowners that do not own the land. Vancouver needs options for housing. Preserve manufactured home parks!!
