Subject
Zoning overlay

Message
I live in Cascade Park Village at 16500 SE 1st St. When I bought my manufactured home I planned on living here the rest of my life and wouldn't need to move again. If the property is sold to a buyer that does not keep it a manufactured home park, there are 170 residents that would need to find other places to live. Please implement the zoning overlay for the property as soon as possible so we will be able to stay in our homes when it is sold.
