**Subject**

Climate Change and Resiliency Element Public Participation Plan

**Date of Hearing**

Tue, 11/28/2023

**Comment**

Leaders take actions in the public interest. Whether or not a citizen "believes" in climate change, it is real and the evidence is all around us. This should not be a political issue, rather, it is an environmental emergency. I write to urge the Council to allow staff to get to work on the GMA Amendment.
