Subject
Extend zoning moratorium to protect manufactured home

Date of Hearing
Tue, 02/17/2026

Comment
I am a resident in the Cascade Park Village +55 For 170 manufactured homes. #85 16500 SE 1st, Vancouver, WA 98684. We are all retired on fixed incomes most of us are in our 70s and 80s. We need our park to stay zoned for manufacture homes. Or we will lose everything if developers are able to come in and take us out.
Thank you for extending this moratorium. Please in the future make this a permanent solution where manufactured home parks have to stay a manufactured home park. Thank you for your attention and helping us seniors to keep our homes.
