Manufactured housing in Clark County WA

Comment
I am writing to request adoption ordinance 2026-02-01, extending the effective date of Interim Ordinances 2025-08-19 and 2025-10-03 -which established an immediate moratorium on development applications and permits relating to the redevelopment of existing mobile home or manufactured home parks to allow the county to review options, comprehensive plan policies, and draft regulations for the preservation of existing mobile home and manufactured home parks in Clark County, Washington.

I live in Vista Del Rio manufactured housing park and my retirement income will simply not allow me to forfeit all I have invested in my home. I am a retired senior and would have no options if my home were taken away from me. Many seniors who are independent now would be placed in dependency on government programs for subsistence. Please make these ordinances permanent. Thank you.
