***Dear Clark County Planning Commission, County Council, and staff,***

***Our community and the current housing crisis are reliant on getting the 2025 Comprehensive Plan Update right. We need more solutions and more flexibility to meet the needs of our growing community. For this reason, please reinstate the Population Allocation's Method A for projecting housing units by income bands to be considered and discussed in the upcoming public hearings with Planning Commission and County Council. Please let all stakeholders weigh in both Method A & Method B to better inform this critical decision.***

***Thank you!***
