Comments

The owners of parcel 196158000 located at 5616 NE Salmon Creek St, Vancouver WA 98686 would like to recommend its inclusion into the urban growth boundary as part of the 2025 comprehensive plan update. As a substantial-sized property with proximity to Washington State University, the existing urban growth boundary line, and other parcels with development potential, we believe it is a good candidate for residential development and are therefore requesting its inclusion.
