**Comments**

We would like to change the zoning of our property to accommodate the following request:

- Short plat to create 2 separate tax lots
- My husband and I would like to sell a portion of our 5 acres to our daughter and her family so they can build a house next to us. We are aging and would like to have our family near to help care for us as we continue to age, as well as help take care of the property.
- We would also like to be included in the Ridgefield UGA
