This is another comment for the housing hearing. I attached a pdf version as well. Thanks!

I live in an area that is booming with narrow lots, cottages, apartments, etc., and the new parking issues are very concerning. We have CC&Rs that will not allow us to park on street for 24 hours but these new neighborhoods will be parking in our neighborhood unless you give them enough space to park in front of their homes.

Please take care of our neighborhoods,
Heather Majewski
