Comments

On behalf of the Property Owner, Daryl Germann, we are requesting that the property be brought into the 2025 Urban Growth Boundary Expansion and zoned for an Urban Single-Family Residential Zone. It is our understanding that the properties both to the East and the West are also making the same request and we appreciate the opportunity to work together with those Property Owners, and Clark County Staff, for this request. Please do not hesitate to reach out for more information regarding the request.
