Comments

The owners of parcel 986030634, located at 5604 NE Salmon Creek St, Vancouver, WA 98686, would like to recommend its inclusion in the urban growth boundary as part of the 2025 comprehensive plan update. As a property with proximity to Washington State University and the existing urban growth boundary line, we believe it is a good candidate for residential development and, therefore, request its inclusion.
