Hello,

We have purchased the above 10 acre property, and are looking to get this property into the Ridgefield urban growth area. There is a new Ridgefield School District school in the development stages on 10th/279th, which is located about .5 mile away from our property. A new sub division on our property would be a great asset to the area and provide affordable housing in the new school area. Please contact me with any questions.. Thank you, Mitch 360-904-7923
