Dr. Oliver Orjiako & Mr. Jose Alvarez
Clark County Community Planning
PO Box 5000

Dear Oliver and Jose:

Thank you both for taking time to unpack the Comprehensive Plan Update process with the Identity Clark County Board of Directors this morning. Our leaders deeply appreciated your perspective relative to population, housing and employment growth projections, modeling assumptions and how the county's efforts align with cities in southwest Washington.

We are encouraged to hear that county staff welcome input throughout the process and that there are ongoing efforts to assess the quality of vacant buildable lands as we collectively plan for the future of our communities.

We're grateful for your leadership and look forward to engaging more deeply with you in the months ahead.

Sincerely,
