Hi Jenna,

I'd like some guidance from you, when convenient for you, to go through the Update process going forward. In all transparency, my interest is on behalf of Friends of Clark County and where we see our major efforts to be placed in 2024; but personally, and on behalf of all farms out there, my interest is in where you see our threats to farmland going forward in the planning process.

I can be at the PSC pretty easily on most days. Your schedule is the challenge, I'm sure. Please offer some times that are convenient for you.

Best,
Ann Foster
