Hi Jenna, Mary, and Ann,

Thanks for tracking funding opportunities being made available by Federal and State Grants.
I'm particularly glad that Mary and Jenna attended, because they are most connected to the levers of government.

I think my job is to advocate in the court of public opinion and in the legislature. But if there is anything else I should do, let me know.

You may have noticed that Commerce forgot about Southwest Washington.
Thanks for all you do.

Don Steinke
