Hi

For question 12 -

12. Which language do you speak most frequently? English Spanish Vietnamese Chinese Chuukese Marshallese Tongan Ukrainian Russian Another language:
_____ Prefer not to answer

There may be more than 1 language spoken frequently. Can the word language be changed to languages , plural? Many speak English at school or work but a different language for all their home, family & community time. Some youth & adults might split between 2 languages used most frequently.

Or do you want them to select 1 only?

thanks
