You asked for input on fighting global warming in Vancouver. Meer is a project for fighting global warming.

Read the article in this link about their work in Spain at the link to Meer below.

Also cooling projects in Africa. [https://www.meer.org/resources/meer-podcast-3-coming-to-africa?c77422bf\\_page=13](https://www.meer.org/resources/meer-podcast-3-coming-to-africa?c77422bf_page=13)

<https://www.meer.org/> From their web page:

MEER: Cooling Earth by Reflecting Sunlight

**Join us to reduce global temperatures by 1-2°C while delivering local heat relief.**

**MEER is ready for deployment and can be constructed entirely of recycled materials.**
