---

Good day, Arthur,

Thank you for your comments regarding the 2025 Comprehensive Growth Plan. I have forwarded to staff, and will add these to the Index of Record.

## Comprehensive Plan Update

### **Comments**

Questions to consider:

Where do we put the additional 103,700 additional housing units and 88,500 additional jobs, forecast by 2045? What are the potential adverse environmental impacts associated with any decision about the locations, including impacts to the natural environment and the built environment, and how could those impacts be mitigated?
