Hello Bart:

I think so. Thanks and have a great 4th of July.

Thank you, Oliver.

Since this is related to a comp plan request, do you think it should be included in the record?

AHO Request to Update UGA plan at Davis/Ward Rd

Message

As one who regularly travels this route, I want to express my strong opposition to this request. As more and more housing develops get built, the effect on traffic congestion and deterioration of rural life seems to be of less importance to anyone but those profiting from the expansion.
