I'm writing to ask you to slow the industrialization and growth of Ridgefield and Battleground. It seems a "proposed development" is placed at almost every clear field in the area. The space, trees, and land are key reasons why I moved here. Seeing all these cookie-cutter townhomes (which are still out of my price range) causes me to reconsider living here. An InNOut in Ridgefield will only make the traffic, overcrowding, and cost of living go up. Help us to be the rural community we know and love.
