Hello,

I am a concerned citizen in the hockinson area, and I want you to know that this AHO construction turning 76 acres into 500 acres is disgusting. I am very much against losing this farmland. As a farmer I am very much aware to how soil works, and to say it's not farmable is a lazy excuse. Do not Take the Ag land away, it's disrespectful, and this area CANNOT withstand this much housing. If you really care about Clark county, and eating and not your pockets, consider not going through with this and keeping the land in agriculture.

Concerned and upset citizen,  
Amy Treasure
